CEO's Message

Greetings,

I am Sung Soo Kyung, CEO of F&S Foods Co., Ltd.

Since our founding in 1989, F&S Foods has grown into one of Korea's leading OEM and ODM manufacturers specializing in customized sauces, powders, and seasonings. Through continuous research and technological innovation, we have been dedicated to delivering better taste and greater value to our customers.

Under the slogan "Customized Sauce, Powder, and Seasoning Solutions - The Beginning of Customer Success," we strive to be a true partner that grows together with our clients.

The food industry is evolving rapidly, with consumer preferences becoming more diverse and quality and safety standards continuously rising.

In response, we have established a dedicated R&D center, advanced automated production facilities, and **comprehensive food safety systems (HACCP, ISO 22000, FSSC 22000, etc.)**, enabling us to flexibly plan and produce customized products with speed and precision.

Furthermore, we are expanding our partnerships beyond the domestic market, collaborating with global food service brands and manufacturers, and proudly sharing our expertise with the world.

It is a great honor for us to know that F&S Foods is present on dining tables across the globe.

Moving forward, F&S Foods Co., Ltd. will continue to be a partner that responds to our customers' needs with accuracy, agility, and sincerity.

We sincerely thank you for your continued interest and support.

Sincerely,

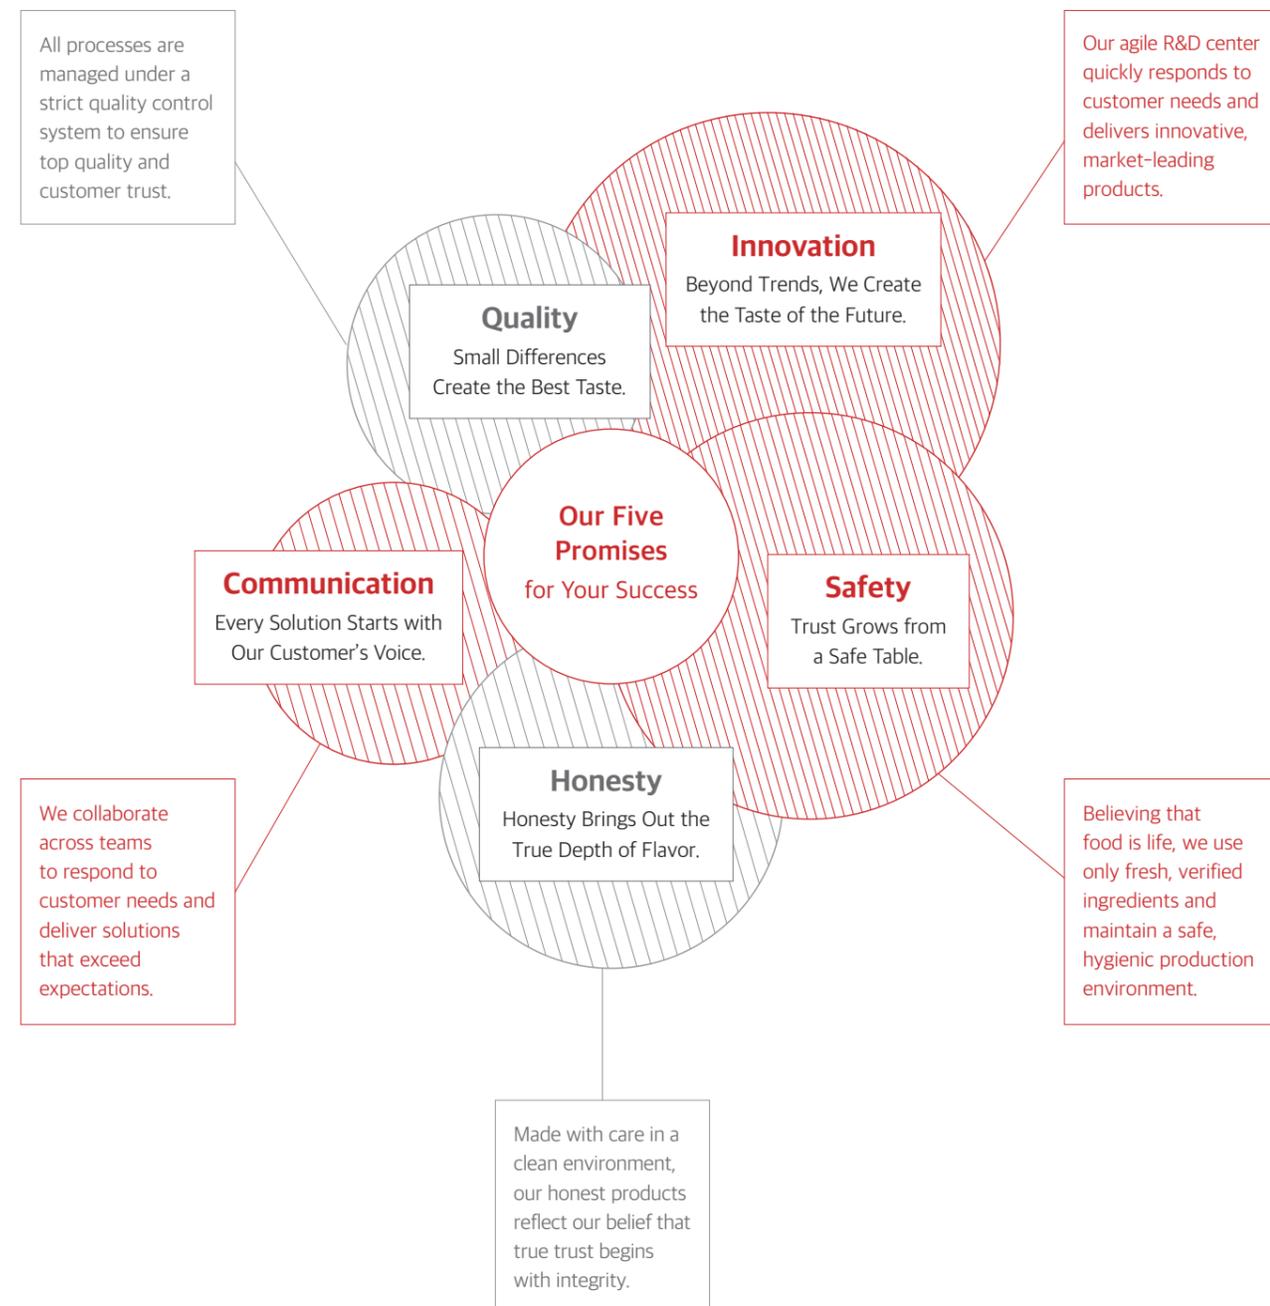

Sung Soo Kyung

CEO, F&S Foods Co., Ltd.

Company Value

We strive to create a sustainable food culture that satisfies everyone by responding precisely to our customers' needs. As a true partner in their success, we continue to ask, listen, and move forward with honesty and integrity.
